About the College**PRINCIPAL'S MESSAGE:**

A warm welcome to Chakdaha College! It is a popular college with a successful and talented staff. We hope that you will maintain the tradition of adding feathers to the profile of the college as many distinguished alumni have. I wish from the inner crevices of my heart, the college flourishes, prospers and retains its name and fame for years to come.

A BRIEF HISTORY:

Chakdaha College, established on November 21, 1972 in a sylvan atmosphere of suburban Bengal was one of the earliest Colleges, affiliated to University of Kalyani. The College must acknowledge the contribution of the then deputy-speaker of West Bengal, Sri Haridas Mitra in its making and development with gratitude. In its initial phases the College did not have its own building and therefore the classes of only general course students were arranged in a neighbouring school. But under the laborious and well intentioned enterprises of some education-lovers and administrators the College grew up to be a seat of expertise and excellence. At present the College runs fourteen Hons. Courses together with a variety of subjects, offered in the General courses. The role of the local people in the formative stages was no less praise-worthy. Chakdaha College became synonymous with discipline, regularity and sincerity. By degrees, the College reached a certain height by virtue of an all-out effort, discharged by the three wings viz. teaching faculty, non-teaching faculty and last but not the least students. Commendable performances of the students under the tutelage of efficient teachers and friendly co-operation of the non-teaching staff have lent the College its wide popularity. The College has fostered many athletes, one of whom even won National recognition in the form of Arjun Award. Even years back, from the play ground of this College, athletes (in physically challenged sections) were sent to International Sports Meet in Bussan (South Korea) and Malayasia. This College is not only a centre of higher education but also that of so many cultural and social activities.

MISSION:

1. To make the college a leading higher education institute.
2. To impart education in all contemporary basic fields with subject-wise specialization.
3. To sustain as well as to enhance the quality of education.
4. To help the neighboring society in all feasible ways.
5. To impart value-based education to make the students responsible citizens in future.
6. To maintain transparencies in all college activities.

VISION:

To impart quality higher education to students in and around Chakdaha through proper evaluation, promotion, modernization and sustenance activities to create a self-dependent, benevolent society, purged of all superstitions.

OUR STRENGTH:

- ❖ Highly efficient, meticulous and dedicated Teaching and Non-teaching staff.
- ❖ Intelligent, hardworking and challenging students.
- ❖ Well-equipped laboratories and libraries including departmental libraries.
- ❖ Modern and advanced way of teaching using ICT facility.
- ❖ Brilliant, successful and supportive Alumni.
- ❖ Convincing success rate in the final University Examinations.

A number of first-class baggers and toppers in different subjects in every year.
