## About the College

Chakdaha College, established on November 21, 1972 in a sylvan atmosphere of suburban Bengal is one of the earliest colleges to have been affiliated to the University of Kalyani. The College most humbly owes gratitude to the contribution of the-then deputy-speaker of West Bengal, Sri Haridas Mitra in its making and development. The College in its early phase began with no building of its own, conducting classes meant for the students of general course only in a borrowed space in the neighborhood school. But under the laborious and well intentioned enterprises of some education-lovers and administrators the College grew up to be a seat of expertise and excellence. At present the College runs fourteen Hons. courses together with a variety of subjects offered in the General courses. The role of the local people in the formative stages is no less praise-worthy. Chakdaha College became synonymous with discipline, regularity and sincerity. With the course of time, the College achieved a distinction by incredible degrees and all due to the persistent endeavors discharged by three pivotal wings viz. the teaching staff, the non-teaching staff and last but not the least the students themselves. Commendable performances of the students under the tutelage of efficient teachers and friendly co-operation of the non-teaching staff have lent the College its wide popularity and pride. The College has fostered many athletes, one of whom won the National recognition in the form of Arjun Award. Even years back, the playground of this College had sent athletes (in physically challenged sections) to International Sports Meet in Bussan (South Korea) and Malaysia. This College is not only a centre of higher education, but also a teeming locus of many cultural and social activities. It is our pride that the College is going to celebrate its Golden Jubilee this year.

### MISSION

1. To make the College a leading higher education institute.
2. To impart education in all contemporary basic fields with subject-wise specialization.
3. To sustain as well as to enhance the quality of education.
4. To help the neighboring society in all feasible ways.
5. To impart value-based education to make the students responsible citizens in future.
6. To maintain transparencies in all College activities.

### VISION

To impart quality higher education to all students regardless of social classes through proper channelization of their capacities, effective modes of evaluation, promotion, modernization, and sustenance activities, paving the way for a self-dependent and benevolent society purge of all superstitions.

### From the Principal's Desk :

A warm welcome to Chakdaha College! It is a popular College with a successful and talented staff. We hope that you will maintain the tradition of adding feathers to the profile of the College as many distinguished alumni have. I wish from the inner crevices of my heart, the College flourishes, prospers and retains its name and fame for years to come.
